WELCOME

Enjoy the flexibility and spontaneity that a self-drive holiday provides.

Peugeot EuroLease gives you the ultimate in both freedom and style, with a variety of award-winning models to choose from, at incredibly low tax-free prices. Specifically designed for non-European residents wishing to holiday in Europe from 21 to 175 days, all vehicles are left-hand drive and registered in your name for the term of the contract with tourist plates fitted. And to make your holiday even more relaxing... choose a vehicle with GPS (Global Positioning System) fitted. Let Peugeot turn the Drive of your Life into the Holiday of your Life!

Visit peugeoteurolease.co.nz for a selection of customer comments, tips and photos.

DRIVER REQUIREMENTS

To be eligible to lease a Peugeot, regardless of your nationality, you must have your normal residence outside the European Union, be visiting the EU for less than 185 days in a 12-month period, and not be undertaking any form of employment during your stay.

Drivers must be over 18 years of age (no maximum age limit applies) and hold a valid driving licence recognised in the European Union. If you hold a full New Zealand drivers licence, an international drivers licence (in conjunction with your New Zealand licence) is recommended (**compulsory** in Italy and outside the EU).

The leased vehicle may be driven only by the registered driver ("Contract Holder") or his/her partner (i.e. spouse or legal co-habitant), direct descendants or ascendants, if they qualify for the scheme. Additional drivers may also drive, as long as the Contract Holder is in the vehicle with them, and they qualify for the scheme. This law has no effect on the vehicle insurance, which covers all drivers regardless of their relationship to the Contract Holder.

HOW TO BOOK

In order to request a vehicle, you are required to complete the Peugeot EuroLease Booking Form (see back page of this brochure) and give to your travel agent with a copy of your passport and \$250 deposit. If you are booking within 28 days of collection a higher deposit may be required, plus the balance of payment and your tax-free contract must be completed within 24 hours of confirmation.

Availability in the most popular models (including all automatic vehicles, and vehicles with GPS) can be limited if booking after March/April. Therefore, we recommend you book your Peugeot EuroLease as early as possible, to avoid disappointment.

Credit card details are compulsory and required at contract stage.

FUEL PRICES IN EUROPE

Fuel prices throughout Europe vary from country to country, city to city, town to town and even within each town. By choosing a diesel vehicle you should save about 10% at the pump as well as at least 30% on the fuel economy. Visit peugeoteurolease.co.nz and click on 'Fuel prices' for a price guide.

BOOKING TERMS & CONDITIONS – 2011

A. Clarification

Peugeot EuroLease is a division of Sime Darby Automobiles NZ Limited. Peugeot Open Europe is the official name of the Peugeot tax-free car leasing scheme in Europe belonging to and operated by Peugeot Sodexa, a division of Automobiles Peugeot. Peugeot EuroLease is authorised to market for Peugeot Sodexa (hereinafter referred to as "Sodexa") its Peugeot Open Europe car leasing/purchase scheme and to obtain orders on its behalf. You will therefore be contracting directly with Sodexa once your booking is accepted as outlined below.

B. Bookings Subject to Acceptance

If you wish to make a booking you shall be required to provide Peugeot EuroLease with the information required overleaf and to sign a Peugeot Sodexa Order Form based on Sodexa's General Terms and Conditions of Sale, which we will submit to Sodexa for acceptance. Until the Peugeot Sodexa Order Form is received and accepted, by Sodexa and French Customs, your booking is not guaranteed.

C. Eligibility

In order to be eligible for tax-free status and thereby for a Peugeot Open Europe contract, for a maximum of 175 days with temporary (T) plates, you must comply with the following conditions:

1. If a tourist, regardless of your nationality,
 - have your normal residence outside the European Union,
 - will visit the European Union for less than 185 days in a 12 month period,
 - will not undertake any form of employment during your stay (Note: a work visa in your passport is prima facie evidence that you intend to work).
2. European citizens residing outside the European Union (copy of residency stamp/certificate required with Booking Form) who fit the conditions above and who can obtain proof (i.e. letter from employer required with Booking Form) of their intention to return to their employment (outside the European Union) at the end of their stay.
3. People on temporary assignment in the European Union, such as professors, trainees, journalists, official representatives and full-time students – under certain conditions. Contact Peugeot EuroLease for further details. Documentary evidence of your eligibility may be required from you.

D. Guaranteed buy back

The Peugeot Open Europe scheme is based on a tax-free sale with guaranteed buy back. Forming part of the Order Form you will be asked to sign before departing New Zealand, is the requirement to provide current credit card details. These will act as a guarantee that you will return your vehicle as agreed and cover any charges for the non-return of any items (ie. keys etc), any changes to your return location (if outside of France) and any other legitimate charges (ie. repair costs if you use the wrong fuel, parking fines if car returned to wrong place etc).

Credit card details are compulsory.

E. What You Will Get

A brand new tax-free Peugeot vehicle, unlimited kilometres, full insurance* for vehicle damage, theft and third party liability with NO excess, Peugeot Open Europe's 24 hour assistance, anti-theft device on all models, emergency triangle & reflectorised jacket (collections in France only), full factory warranty, location maps, practical guidebook and no additional driver fees.

*Your personal belongings are not covered by the insurance.

F. Minimum/Maximum lease period

The minimum paid lease period is 21 days, although you can return your vehicle within 21 days without any reimbursement. The maximum lease period is 175 days.

Note: days are calculated on calendar days, not 24 hour periods.

G. Booking/Payment/Order Form deadlines

All booking requests are subject to availability. Bookings should be made as far in advance as possible and ideally before the end of March to give you the best chance of obtaining the vehicle of your choice. Your booking form must be completed at the time of requesting your vehicle. Full payment and the completed/signed Peugeot Sodexa Order Form, referred to in Paragraph B above, should be received by our office at least 6 weeks prior to your departure from New Zealand, to ensure your vehicle is registered and available for collection on the requested date. Urgent booking requests, within 28 days of collection, must be accompanied with a \$1500 deposit. If a vehicle can be confirmed, the balance of payment and Peugeot Sodexa Order Form must be completed/signed and received by us on the day of confirmation.

H. Driver Information

The minimum driver age is 18 years (no maximum driver age) and you must hold a valid driving licence recognised in the European Union. If you hold a full New Zealand drivers licence, an international drivers licence (in conjunction with your New Zealand licence) is recommended (compulsory in Italy and outside the EU).

The leased vehicle may be driven only by the holder of the Peugeot Sodexa Order Form ("the Contract Holder") or his/her Partner (i.e. spouse or legal co-habitant), direct descendants or ascendants, if they qualify for the scheme (refer "Eligibility") and hold valid

driving licences (as noted previously).

Additional drivers with valid driving licences (as noted previously) may also drive the vehicle, as long as the Contract Holder is in the vehicle with them, and they qualify for the scheme (refer "Eligibility").

This law has no effect on the vehicle insurance, which covers all drivers regardless of their relationship to the Contract Holder.

The leased vehicle may be used only for the private and personal purposes of the Contract Holder and is not to be used in any way to generate any income, profit or gain.

I. Power of Attorney

If the Contract Holder cannot collect the leased vehicle his/her Partner may do so on his/her behalf by producing an original Power of Attorney duly drawn up and signed in the Partner's favour by the Contract Holder. The partner must also qualify in the same "category" as the Contract Holder under the scheme (refer "Eligibility").

J. Deliveries/Returns

Deliveries and returns at the Peugeot Open Europe locations in France and Geneva are free of charge. Deliveries and/or returns outside of France and Geneva are at an additional charge and must be pre-paid. Pre-paid return fees are non-refundable if you change your plans and return your vehicle inside France. Plus, if you have pre-booked a return inside France and your plans change, and you return your vehicle outside of France, a fee will apply and must be arranged with, and paid directly to, Peugeot Customer Care in Paris.

K. Vehicle collection

Please ensure you phone the collection location if you have not provided flight details and will be more than 30 minutes late. Upon collection you must show your passport, drivers licence and your copy of the Peugeot Sodexa Order Form. Insurance documents are provided on your arrival. All vehicles are delivered with 10-15 litres of fuel. This means you need not top-up the fuel tank when you return the vehicle.

L. Size of vehicle

Please choose your vehicle carefully as you are unable to 'upgrade' or 'downgrade' on collection. Note: All vehicles are left-hand drive vehicles.

M. Servicing requirements

Most Peugeot vehicles require their first service at either 20,000kms or 30,000kms – at driver's expense. Refer to servicing card delivered with vehicle for more information. Scheduled servicing must be done at service stations designated by Sodexa.

N. Accessories

Accessories include a range of child seats (compulsory for children under 10 years in France), luggage racks and snow chains – these are at an additional charge (to be pre-paid) and must be requested at the time of booking. Accessories added after your booking has already been confirmed may not be guaranteed. Note: vehicles are fitted with all weather tyres however snow chains are recommended if you intend driving in regions where large volumes of snow are likely. Winter/contact tyres are not provided.

O. Vehicle Insurance

You have comprehensive insurance if you drive in any of the following countries: Albania*, Austria, Belarus*, Belgium, Bosnia-Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France (Continental), Germany, Gibraltar, Greece, Hungary, Iceland, Iran*, Ireland, Israel, Italy, Latvia*, Lithuania*, Luxembourg, Macedonia, Malta, Moldova*, Montenegro*, Morocco, Netherlands, Norway, Poland, Portugal, Principality (Andorra, Liechtenstein, Monaco, San Marino), Romania, Serbia*, Slovak Republic, Slovenia, Spain, Sweden, Switzerland, Tunisia, Turkey, Ukraine*, United Kingdom (England, Scotland, Wales and Northern Ireland).

*Peugeot Open Europe's 24 hour assistance is not provided in these countries.

If you take your vehicle into a country not listed above you shall assume full civil, property and legal liability for any incidents that may occur. Damage to third parties will not be covered by your insurance and Peugeot Open Europe's 24 hour assistance will not be provided.

Your vehicle insurance policy is subject to exclusions and limits. It is your responsibility to make yourself aware of your vehicle insurance policy's exclusions, limits and procedures – refer Practical Guidebook (available at peugeoteurolease.co.nz & provided on collection) and insurance policy (issued on vehicle collection).

P. Additional costs

Once you have pre-paid your lease, petrol/diesel is the only additional cost you should incur. Motorway, toll etc charges (if you choose to drive on these roads) and traffic/parking violation fines are not included. If you do not return both keys, registration certificate, warranty booklet, emergency triangle* and reflectorised jacket* – with the vehicle – you will be charged for these on your credit card.

*Included if you collect your vehicle in France.

Q. Travel Insurance

Travel insurance (which should cover your personal belongings, cancellation fees in case you are unable to travel and refunds if you are forced to return home early) is highly recommended. Such insurance is not included under the scheme and you should contact your travel agent or insurance broker to arrange this at the time of placing your reservation.

R. Prices

All prices are in New Zealand dollars and guaranteed for 7 days from the date of invoice, after which time they may be subject to change without notice. Peugeot EuroLease can only accept reservations from NZ residents or NZ passport holders.

S. Booking Deposit

A non-refundable deposit of \$250 is required at the time of placing your reservation.

T. Amendments

Amendments within 6 weeks of collection may incur a fee, particularly if the collection date, collection location or vehicle is being changed. All amendments, regardless of the change, are subject to acceptance by Sodexa.

U. Cancellations

Travel insurance is highly recommended as cancellation fees are strictly enforced. Cancellations more than 28 days prior to collection = \$250 fee. Cancellations less than 28 days prior to collection = \$900-\$1800 (depending on whether the vehicle has been registered). Cancellations on the day of collection or "no shows" = \$1800. Any travel agent fees are in addition to these charges.

V. Extension of your contract

If, whilst in Europe, you decide to extend your lease period you must contact Sodexa in France (details in information booklet provided with documentation) directly. Extensions will be at a higher rate than that pre-paid in New Zealand and cannot be arranged via Peugeot EuroLease in New Zealand.

W. Early returns

A refund can only be considered if the original lease period was 30 days or more and the return date is at least 7 days prior to the pre-booked return date (i.e. refunds of less than 7 days cannot be considered). Refunds are calculated using the extra day price, less the cost of vehicle insurance (currently 16%) and an administration fee. The first 21 days and any 'free' days are strictly non-refundable.

X. Customer Claims

Any requests for reimbursement must be pre-approved by Sodexa and claims lodged with Peugeot EuroLease within 30 days of your return to New Zealand. They must be supported by original invoices and receipts (duplicates or photocopies will not be accepted).

Y. Accuracy of Information

All prices and information contained in our web site, current brochure or price-list were correct at the time of publishing and are subject to changes imposed by Sodexa from time to time.
